Named after the opposite marina, Cabopino Golf was opened in March 2001 offering spectacular views of the coast coupled with a fine test of golf. Each hole offers a different challenge from the 3rd where the tee box is cut into the cliff face to the tricky 5th, with a narrow fairway demanding safe and accurate play.

This course boasts stunning views of the sea and it is the picturesque setting that is making this course increasingly popular. The course is made up of two par 3s, two par 5s and thirteen par 4s and the varied layout is a challenge for all standards of golfer.

The course is also officially authorised to produce made to measure clubs of both the Titleist and Cobra brands. Strategically positioned just 3 minutes for the port of Puerto Cabopino, 5 minutes for Calahnonds and just 15 minutes from Feungirola and Marbella.

Facilities
Driving range, club rental, buggy rental, putting green, pro-shop, lockers, showers, parking and a golf school.

Cabopino
Costa Del Sol, Spain
Par 71, 5170 metres
