The popular Aparthotel PYR Marbella is in an excellent position just a few minutes stroll from the centre of Puerto Banus, one of the most celebrated marinas on the Mediterranean, with its shops, bars, restaurants and exciting nightlife.

This great value Aparthotel gives you the benefit of a hotel service along with the freedom of modern, spacious apartments and offers continental and buffet breakfast. The hotel bar is a great place to start your evening before you wander out to spend your evening in the port. The atmosphere is always buzzing in Puerto Banus and there are so many bars and restaurants to choose from as well as nightclubs. We recommend sampling one of the Argentinean steakhouses if you are a real meat-eater followed by a drink or two in one of the marine-side bars to people and boat watch!

Being next to the main road, there is a bit of road noise, but its location in Puerto Banus and its proximity to many courses means that the Pyr Marbella is ideal for groups of golfers.
