

Isla Canela Links

Costa de la Luz, Spain

Par 72, 6472 metres

Opened in March 2007, Isla Canela Links (or Valle Guadiana Links) offers spectacular views throughout. Combined with perfectly manicured fairways and some truly memorable holes, at Isla Canela Links golfers will enjoy an unforgettable round of golf. Characterized by its wide and open fairways, the prevailing wind off the Guadiana River brings added challenge to the layout.

Located on the Portuguese / Spanish border, just 7km from the Isla Canela Golf Hotel.
