

## **El Cortijo Club de Campo**

Gran Canaria, Canaries

Par 72, 5833 metres

Located just 6kms from the city of Las Palmas on an estate covering three valleys the El Cortijo Club de Campo perfectly integrates itself into the surrounding terrain and environment. The magnificent century old pine grove boasts over 600 trees increasing the natural beauty of the area.

El Cortijo was designed to host major International tournaments such as the Spanish Open. Situated amongst six lakes, the course provides a very attractive round as you can also enjoy spectacular views of the surrounding sea. Overall the greens are fast and provide a fair challenge.

The fifteenth hole is the most interesting with the fairway forming a dog-leg to the right and a lake covering the entry to the small sloping green.

- **Par:** 72
