

Owned by the Dona Filipa and one of the best courses in Europe, San Lorenzo is a beautifully manicured course and a delight to play. Set in an unspoilt area of natural beauty and with each hole providing a different challenge, San Lorenzo features large fast greens, plenty of water hazards and gently undulating fairways.

The first five holes are played through avenues of pines and the par 3 5th offers wonderful views over the Atlantic Ocean. The 6<sup>th</sup> and 7<sup>th</sup> skirt the estuary with narrow fairways and the par 5 8<sup>th</sup> has water running all along the right-hand side and out of bounds on the left. If you play to the left you will have a shot over bunkers with trees getting in the way before you reach the green.

The par 5 15<sup>th</sup> is challenging, with an abundance of bunkers leading up to the green. The very tough par 4 18<sup>th</sup>, with its almost island green, is a superb finishing hole, where accuracy is the key.

This course is for the exclusive use of guests staying at the 5\* Dona Filipa Hotel and 4\* Formosa Park Hotel. For all others, starting times are bookable a maximum of 24 hours in advance.

- **Par:** 72
- **Course Distance:** 6238
- **Course Designer:** Joseph Lee
- **Mens Handicap:** 28
- **Ladies Handicap:** 36
