Algarve, Portugal

Nestled in the heart of the Ria Formosa Nature reserve, a protected area of natural beauty in the Algarve, the Formosa Park Hotel offers aparthotel accommodation and is close to some of the best courses on the Algarve. Pinheiros Altos Golf Club is owned by same company as the hotel and guests benefit from resident green fees.

The hotel is made up from one and two bedroom suites all fully equipped and furnished to the highest standards of comfort and with spacious balconies. The hotel offers a snack bar with a lovely terrace where you can enjoy your meal overlooking the pool and the park.
